SAN DIEGO PUBLIC LIBRARY

Teen Tech Week

March 3-9, 2024

Join us in the Pauline Foster Teen Center for these workshops:

Monday, March 4, 4-5:00 p.m. - **Artificial Intelligence:** Learn Chat GPT best practices and image generation basics.

Wednesday, March 6, 4-5:00 p.m. - **Die-cutting:** Learn to make iron-on decals using Silhouette Studio and Cameo.

Thursday, March 7, 4-6:00 p.m. - **Coding:** Learn about Java and Python. Practice coding a game using Hopscotch.

Middles School Age and Teens Welcome - Materials Provided. - Registration Required.
