Join author Jim Miller for a lively book talk and discussion of his re-released novel *Drift* (with a new preface). *Drift* explores San Diego's buried history and gentrifying urban space. Alienated, underemployed professor and aspiring poet, Joe Blake roams San Diego in his own personal disquiet and discovers that agony and ecstasy co-exist all around him. He falls in love with Theresa Sanchez, a single mother cultivating her own garden of doubts.

Copies of the book will be available for purchase and signing.
