

MAY THE FOSS

BE WITH YOU!

Presented by Central Library Innovation Lab

A long time ago in a Library far, far away...FOSS (Free and Open-Source Software) PBL (Project-Based Learning) experiences were being enjoyed by innovative makers (YOU) throughout the Library's Laboratories! Come learn these amazing software's that still exist today.

* Fabrics with FOSS

In this series, create your own embroidered iron-on using Inkstitch and Valentina. Materials provided.

* BIM & GIS with FOSS

In this series, learn about and help create a 3D model of the Innovation Lab in FreeCAD, Blender, BimServer and GeoServer, and other great software used for Building Information Modeling and Geo-spatial Information Systems.

* Content Creation with FOSS

In this series, learn how to use FOSS to create a music video for the Innovation Lab using Kdenlive, Blender, Audacity LMMS (Linux Multimedia Studio), OBS, and more!

4th floor, Wells Fargo Technology Learning Center

*Registration Encouraged:

www.sandiegolibrary.org > Programs & Events > Library Events Calendar > Central Library > Event Filters Search: 'Fabrics with Foss', 'Multimedia with FOSS' and 'BIM and GIS with FOSS'

See reverse for dates and times.
