

William McKeever's *Emperors of the Deep* Book Talk & Film Screening

Saturday

August 3 • 4:00-6:00 p.m.

Neil Morgan Auditorium

Ocean Conservationist, Filmmaker and Author, William McKeever sends a call-to-action to save sharks in his newest book, *Emperors of the Deep: Sharks—The Ocean's Most Mysterious, Most Misunderstood, and Most Important Guardians*. McKeever warns that without sharks our seas will experience ecological disaster. In addition to Mr. McKeever's presentation there will be a Q&A, book signing and a screening of an abridged 20-minute version of the soon to be released full-length companion documentary, *Emperors of the Deep*.

This event is free and open to all ages. Registration is recommended.
