

# The Black Inventors of California

## Author Talk

Wednesday

August 21 • 6:00-7:00 p.m.

Mary Hollis Conference  
Center

Black inventors are often omitted from publications about science, technology, and innovation. In a culmination of 20 years of research, author Keith C. Holmes wrote *Black Inventors, Crafting Over 200 Years of Success* to demonstrate how black inventors, both past and present, have driven global-level progress. Join us for an exciting presentation on the black innovators, inventors made an impact in the computer, medical, and science industries in California.
