

# Free Computer Classes

## Embroidery Design Basics using FOSS

### Presented by the Innovation Lab

Classes held in the Wells Fargo Technology Learning Center, 4th Floor

**Class 1: Monday, November 18th 10am—1pm**

**Class 2: Thursday, November 21st 1pm—4pm**

Join us for one of our two classes for an embroidery design basics workshop. You will learn how to use **Inkscape** and **Inkstitch** to create a custom embroidery design file.
