

Virtual Beat Making Summer Camp

By Villa Musica &
Valencia Park/Malcolm X Library

July 20 – 24 or August 3 - 7
Monday - Friday, 9am - 12pm

Join us in this week long virtual camp to learn the fundamentals of creating beats with a computer. Students will use a free online Digital Audio Workstation (DAW) to learn how to create an original piece of music while also developing their ear for mixing and mastering tracks. By the end of the week, students will have created a piece that they can upload online to share with friends, family and followers. Sign ups are required at sandiego.librarymarket.com/musiccamp.

For Ages 12-17
