Literacy skills for emerging readers
ages 6-8
Wed, July 8
10:00am-12:00pm

Students will build confidence in their reading comprehension with fun, interactive activities. OneNote's Immersive Reader app will be used.

Boost reading confidence and literacy skills
ages 8+
Wed, July 15
10:00am-11:30am

Explore tools that help improve focus while reading, identify parts of speech, and read text out loud with the help of OneNote's Immersive Reader.

Create a difference in your world, ages 8+
Mon, July 20th–
Thurs, July 23rd
12:00pm-1:30pm

In this 4–day workshop, students will research a cause they care about in their local community, and create action plans to fundraise, volunteer, or get the word out about their personal cause.

Creating Connections with *Dear Evan Hansen,*
ages 13+
Wed, July 29
2:00pm-3:00pm

Workshop participants will define what it means to make authentic connections and explore ways to create those connections living in a society hyperconnected by social media.
