

# DYH@L: Summer Virtual Learning

Presented in collaboration with Microsoft and the San Diego Public Library

## August 2020

### Literacy skills for emerging readers

ages 6-8  
Wed, August 5  
2:00pm-4:00pm

Students will build confidence in their reading comprehension with fun, interactive activities. OneNote's Immersive Reader app will be used.

### Start your own business

ages 8+  
Mon, August 10 -  
Tues, August 11  
12:00pm-1:30pm

In this two-day workshop series, students( ages eight and older) will learn how to turn their passion into an entrepreneurial business idea. Students get guidance on how to create a business plan and a polished pitch ready to share with others.

### Creating Connections with *Dear Evan Hansen*,

ages 13+  
Wed, August 19  
2:00pm-3:00pm

Workshop participants (ages 13 and older) will define what it means to make authentic connections and explore ways to create those connections living in a society hyperconnected by social media.

**Free Online Workshops**
