[And She Could Be Next - Part Two](#)

Monday, November 2nd 6:00 PM

Part two of the documentary focuses on voter suppression and follows a defiant movement of women of color as they transform politics from the ground up. Filmed during the historic 2018 midterm elections, the series features organizers and candidates (including Rashida Tlaib and Stacey Abrams) as they fight for a truly reflective government, asking whether democracy can be preserved - and made stronger - by those most marginalized. Directed by Grace Lee and Marjan Safinia. Produced by Jyoti Sarda.
