Want to get away? Join us for the kick-off of the 2020 Author of the Month program sponsored by the Friends of the Central Library. Experience a virtual tour by bicycle across the country with no peddling or pain! Recently featured [in the Union Tribune](#), author [David Reed](#) will delight us with slides and stories from his cross-country trip to escape the turmoil of the early 1970's and to marvel at the beauty of our great country.

Reed is a landscape architect by trade. He appreciates the glories of nature, the raw beauty of the land, and majesty of the mountains.
