

# BLACK HISTORY MONTH

## THE NY TIMES 1619 PROJECT AND WHY SLAVERY MATTERS

**Friday, February 26 · 4:00 p.m.**

San Diego Public Library, in collaboration with San Diego Unified School District, present this virtual youth event featuring author and historian Anne C. Bailey. Join us in this interactive discussion facilitated by students with Professor Bailey as she discusses her work documenting slavery and the concept of "living history" in which events of the past are connected to current contemporary issues. Images of student artwork honoring Black history, community, and culture will be displayed at this event.
