

# Washcloth Bunny

**Supplies Included:** Microfiber washcloth, googly eyes, pom pom nose and tail, and narrow ribbon (1/8")

**You will need:** Scissors, Glue, rubber band or pony tail holder

## Instruction:

- Fold the washcloth in half on the diagonal to form a triangle.
- Tightly roll the folded washcloth from the open corner to the long side.
- Fold the rolled washcloth in half.
- Fold the washcloth in half again, turning the loose ends back towards the first fold.
- Place a rubber band around the washcloth about 2" from the second fold.
- This forms the head of the bunny, with its ears sticking out from the rubber band.
- Cut a 12" to 14" length of ribbon, wrap it over the rubber band, and make a bow.
- Pull the bunny ears into place and fluff them out a bit.
- Glue the googly eyes and pom-pom nose on the bunny's head.
- Use the bunny as an Easter egg holder by placing the egg in the cloth ring behind the bunny's head.
