

TAIL STRIPES

In addition to this template, you will need:

\*Kid scissors

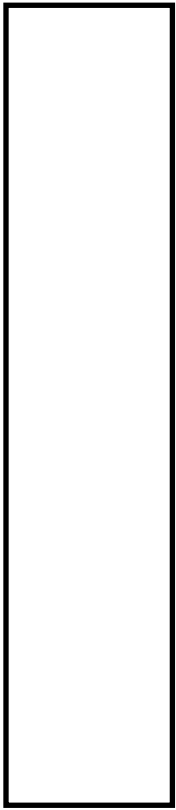

\*Glue or glue stick

\*Black pom pom (optional)

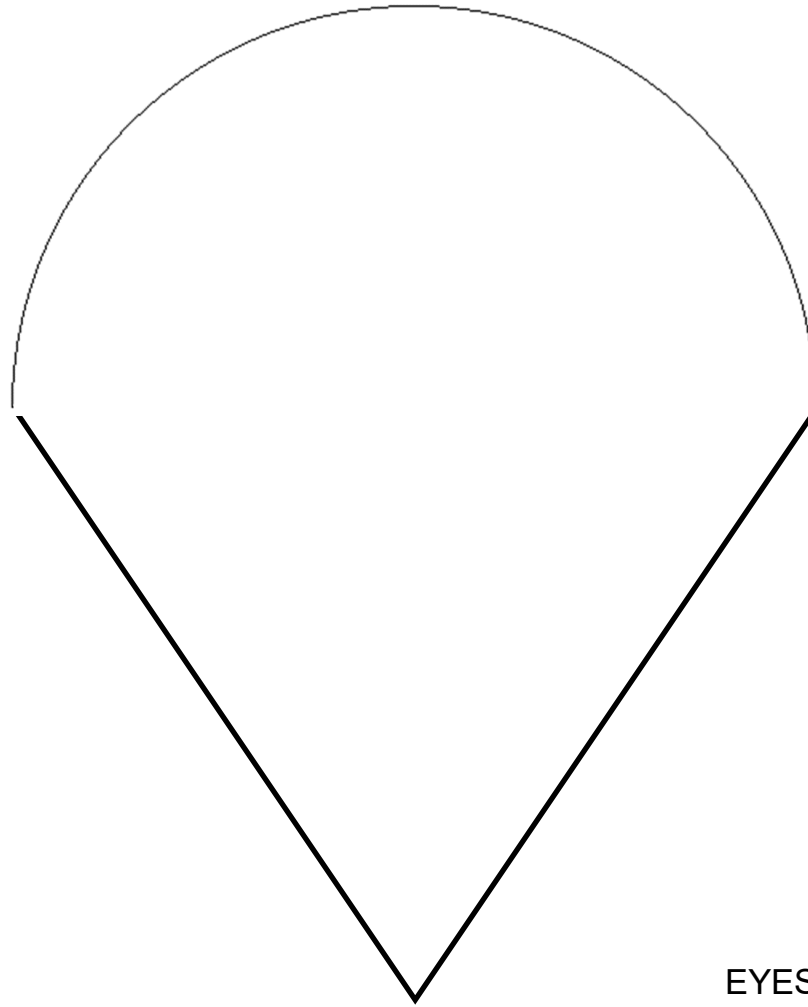

\*Black marker

\*1 sheet of blue letter-sized paper

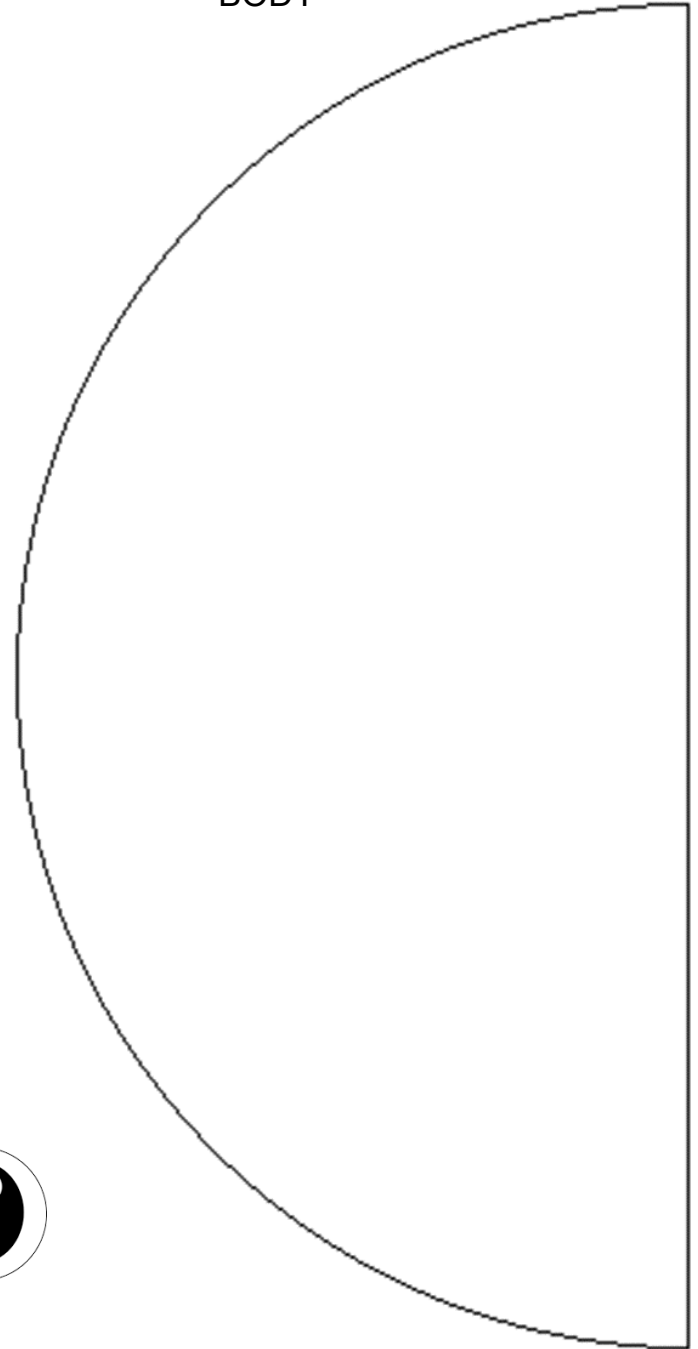

1. Color the Raccoon's face mask, tail stripes and inner ears with the black marker.
2. Cut out all the Raccoon pieces. Glue the face mask across the top of the Raccoon's nose. Then glue the eyes to the mask.
3. Glue the inner ears to the ear pieces and glue the ears to the top of the head.
4. Glue the tail stripes to the tail.
5. Glue the body to the edge of the blue paper, then glue the head to the top of the body and the tail to the side. Glue the pom pom to the tip of the nose. (If you don't have a pom pom, just use a black marker to draw on a nose.)
