

Rocking Birds

Craft for Wednesday, 5/26 10 a.m.

Supplies:

- Template on next page
- Kid scissors
- Crayons/markers
- Glue or glue stick
- Optional: sequins or googly eyes

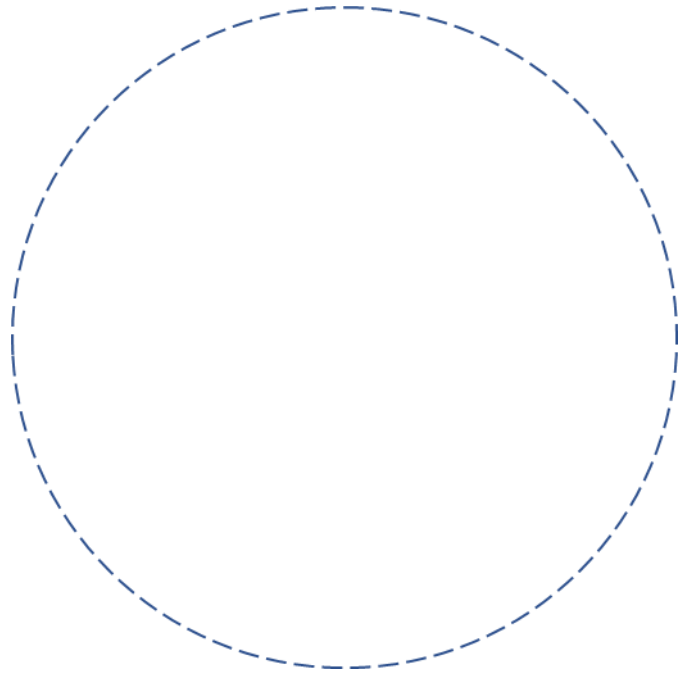

Instructions:

1. Color all the pieces on the template as you wish. Or copy template shapes onto colored construction paper. Then cut them out.
2. Fold the large and small circles in half.
3. Glue the small circle to the larger one, as shown in picture.
4. Fold the square piece of paper in half diagonally. Glue to the underside of the large circle, angling the tip of the beak slightly downward.
5. Take the trapezoid piece and fold it in half lengthwise. Glue the wider end to the underside of the large circle, slanting the tip slightly downward.
6. For eyes, glue on sequins or googly eyes. Or draw on your own eyes.

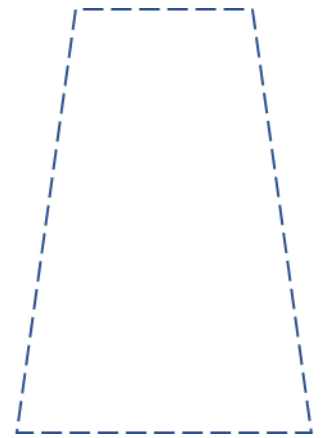

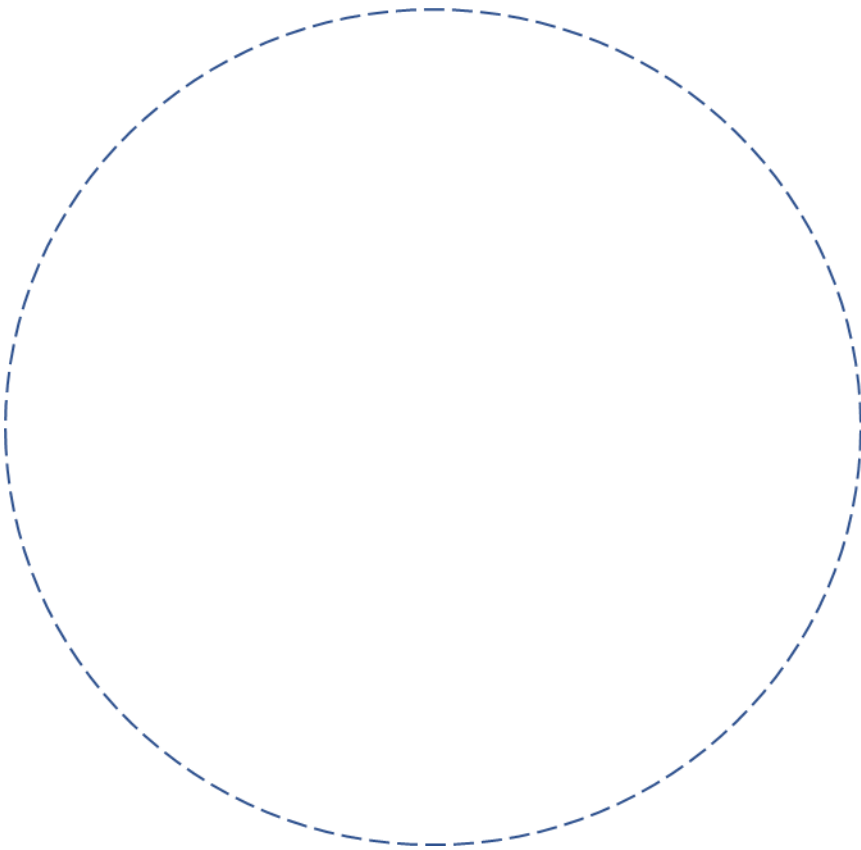

Beak

Small circle for body

Large circle for body
