

# Ladybug on Wed, 6/30, 10am

Body

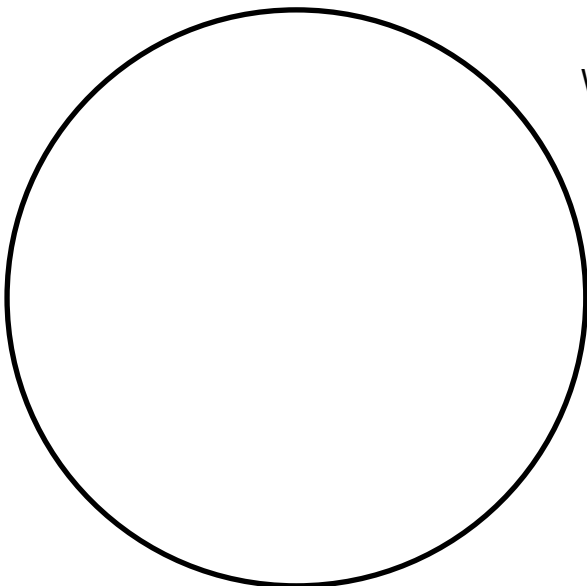

## Supplies:

- ~This template
- ~ Kid scissors
- ~ Crayons/markers
- ~ Glue/glue stick

## Instructions

1. Color the strip black. Cut out and glue ends together to make a cuff.
2. Pinch the cuff to flatten it into a teardrop shape. This will be the ladybug body and head.
3. Draw irises on the white circles. These are the eyes. Cut out and glue onto body, near the pinched end of the teardrop.
4. Color the large circle red and add black dots.
5. Cut out circle, cut in half and glue onto the body as shown above. Your ladybug is now ready for take-off!
