Do Your Homework @ the Library presents

Summer Camps
4th - 6th Grade

ROBOTHINK
Build, Code and Play with Robots
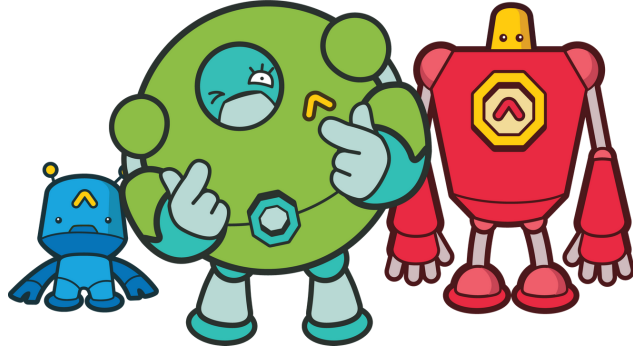

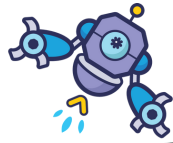

Build-a-Bot Camp

Monday - Thursday
2 - 4 p.m.

In-Person, Bilingual in Spanish
Join Robothink for a 4-day camp on coding, building robots and having fun!

Participants will use sensors, motors and electronics in step-by-step projects while learning important STEAM concepts through these fun activities.
