[HowToFestivalSanDiego](https://www.facebook.com/HowToFestivalSanDiego)

The How-To Festival is now entering its seventh year! Presented by San Diego Public Library & California Coast Credit Union, this community-based learning extravaganza has something to teach everyone. Young or old, we invite everyone to join.

Saturday, May 14 · 11 a.m.

Our videos go up online and some presentations will stream LIVE, too on our YouTube channel. We'll be throwing a watch party of this stream at San Diego Central Library (330 Park Blvd.) in the Neil Morgan Auditorium, come out and enjoy the springtime.

We've got a full lineup ready!

For the latest updates on the our how-to videos and what will be streamed this time around, like us on Facebook.

You'll learn how to... Assemble Felt Flowers · Grow an Urban Garden · Make a Decorative Air Plant · Smoke a Brisket · Train a Dog to use a Leash Color Eggs · Cook Katsudon · Build a Popsicle Stick Catapult...and MORE!
