Free Community Workshop

The New Children's Museum is hosting hands-on, art-making workshops at community centers throughout San Diego as a part of our 10th annual Mass Creativity program! Join us for an **Imaginative Storytelling workshop** in which families will help tell their community's story by creating pages of a collective book through painting, drawing and collaging.

When: Sat, May 28, 2-4pm

Where: City Heights/
Weingart Library*
3795 Fairmount Ave,
San Diego, CA

*Community Room

Mass Creativity Day

Our workshops culminate on Mass Creativity Day, in which the stories created at seven community centers will be woven together! Celebrate art, creativity and community in the Museum Park with live music, food, activities and free admission to the Museum!

When: Sat, June 25, 9am-3pm

Where: The New Children's Museum
200 W. Island Ave.
Downtown San Diego
