

HEALTHY DEVELOPMENT SERVICES PRESENTS

Baby Steps

CLASS INFORMATION

Parents long to provide the best for their newborn baby. Baby Steps offers groups to help parents learn strategies and identify support such as:

- Understand your baby's cues and how to respond to them
- Build a stronger bond with your baby
- Develop self-confidence in parenting
- Connect with other parents

The groups are for children age **birth – 15 months** (prior to walking), and are provided at no cost. For program locations, start dates/times, and all other questions, please contact us.
