# HEAD START HOME-BASED PROGRAM PROVIDES FREE CHILD DEVELOPMENT AND FAMILY SERVICES TO FAMILIES WITH CHILDREN FROM 0 TO 5 YEARS OF AGE

Neighborhood House Association's Early Head Start and Head Start provides services in the comfort of families' homes with weekly home visits to support parents as their child's first teacher. Our home visitors partner with parents to support their children's development in health, nutrition, and school readiness, by building fun, healthy relationships and everyday routines in the home.
