Our co-editors wanted to counter hate and ignorance
with local, national, and international poets.

Collected from 25 contributors, 77 poems, translations, & essays speak to the role and power of poetry (and the Arts) to create awareness, foster empathy, and produce change. Poets published in the anthology will join us in person or on Zoom. All proceeds after publisher's costs will be shared with the Border Angels & The Binational Friendship Garden.

Anthologies will not be sold at this venue, order your copy at jimpoet.com, josephdmiloschpoet.com, or https://www.amazon.com/dp/1735055689?ref_=pe_3052080_397514860. Signed copies will be sent from the co-editors only.
