Wikipedia is a free, multi-lingual, 100% volunteer-run encyclopedia. This year, celebrate International Volunteer Day by learning to create and edit Wikipedia articles.

Teens and older students may get up to 2 hours of community service for educational and service group requirements.

Computers will be available. Attendees may bring their own Wi-Fi-enabled devices.

Space is limited, register online at **https://www.sandiego.gov/library.**

The San Diego Wikimedians User Group, an affiliate of the Wikimedia Foundation, will be giving a short tutorial on getting started with Wikipedia.
