

STAY & PLAY

Wednesdays • 10am - 12pm

March 15 - April 19, 2023

Are you a grandparent, aunt, uncle, or other caregiver caring for a child under 5?

Learn how play can support your child's development!

Join us at the library for a time to play, read, sing, learn, and have fun together!

Each session will feature storytime, free play time, and opportunities for caregivers to learn to support early literacy skills. Healthy snacks and refreshments will be provided.
