

# Canning & Preserving

Saturday, June 17 • 10:30am

Looking for a way to make a one-of-a-kind holiday gift? Or wanting to pick up a new hobby for the New Year? Learn basic tips and tricks about preserving and canning fruits and vegetables. Discover the equipment you can and can't live without, how to get started and helpful resources to put you on the road to being a seasoned, successful canner. Limited samples will be on hand to enjoy.

Presented by  
Kelly Pepo,  
local canner and  
librarian.
