

# EARTHQUAKES IN YOUR BACKYARD

ELEMENTARY (Grades 3-5) | WORKSHOP

## DATE

7/11/2023

## TIME

4:00 PM—6:00 PM

## LOCATION

Skyline Hills Library  
7900 Paradise Valley Rd.  
San Diego, CA 92139

Students will discover the geologic activity happening all around them right now. We will examine Southern California's fault systems and look at recent earthquake activity using online tools from the US Geological Survey. Students will learn how to interpret an earthquake's magnitude, and will conduct an experiment to help them understand the mechanics of earthquake faults.

**Space is limited. Registration required in advance.**
