Amy Wallen is the San Diego-based author of *When We Were Ghouls, A Memoir of Ghost Stories* and the Los Angeles Times bestseller *Moon Pies & Movie Stars*. Her essays have been published in *The Gettysburg Review*, *The Normal School*, *Country Living* and other national magazines and anthologies.

Her book, *How to Write a Novel in 20 Pies*, is a charming book on her journey writing a novel, some of her teaching experience, and some recipe-stories on pies, because it was through pie that she claims she survived novel writing.
