

Community Plant Swap!

Bring your plant cuttings, seedlings, surplus harvest or plants that need a new home to swap with other gardeners. All types of plants are welcome—please label if possible. Feel free to bring extra containers, gardening books, or small gardening tools that are in good condition that you no longer use to share with new gardeners.

Light refreshments provided.

This month's activity:

Milkweed Seed Bombs

Meet your plant neighbors!

A presentation by San Diego Canyonlands.

San Diego Canyonlands will introduce a few favorite native plants living in City Heights Canyons. Learn how these plants benefit their ecosystem and how to recognize them in the wild.
