Virtual Travel Center on the 5th floor

Please join us for a special evening featuring authors Ted Washington and Alexis V. Jackson's latest books *Bone Lyre* and *My Sisters' Country*. *Bone Lyre* is an emotional book of poetry with universal themes such as love, nature, and politics. *My Sisters' Country* artfully braids together a multi-vocal chorus of Black women's voices across time. She invites readers to consider the ways Black women, who were once considered countryless property, made country out of and in one another.
