

STAY & PLAY

Wednesday ● 10:30-12pm

April 10-May 29, 2024

Are you a grandparent, aunt, uncle, or other caregiver caring for a child under 5?

Learn how play can support your child's development!

Join us at the library for a time to play, read, sing, learn, and have fun together!

Each session will feature storytime, free play time, and opportunities for caregivers to learn to support early literacy skills. Healthy snacks and refreshments will be provided.
