

Sensory Adventures

Sensory Craft & Play

Join us for fun sensory crafts and activities such as sensory bins, puzzles and more! We aim to provide a sensory stimulating environment while supporting cognitive & motor skills development. Bi-weekly on Fridays!

Flower Paint Stamping

April 5th • 11:00am

Join us for a fun paint stamping activity! This is a great activity to help process art which can support emotional regulation and cognitive development.

Clay Painting

April 19th • 11:00am

Join us learn how to work with clay! Using magic mold and cookie cutters, we're painting our own fun designs.
