Shiley Special Events Suite

Brandon Cesmat

Shadab Zeest Hashmi

Ishmael von Heidrick-Barnes

Kazim Ali

Sandra Alcosser

Ecopoetry is not nature poetry. It is poetry with a strong ecological emphasis as a response to climate change, global warming, and pending ecological disaster.

Award-winning San Diego poets Sandra Alcosser, Kazim Ali, Brandon Cesmat, Shadab Zeest Hashmi, and Ishmael von Heidrick-Barnes will read poems that address ecological and humanitarian concerns, keeping water, food, and hunger in mind.
