

The Library Foundation SD and the San Diego Public Library present:

ETHNIC STUDIES AT THE LIBRARY

Filipina Migrants and Community Building

Friday, May 9, 2025 • 4 - 5:30 p.m.

Skyline Hills Library, Multipurpose Room

We invite community members to learn about historic oppression and systemic racism and share their lived experiences for personal and community empowerment.

Valerie Francisco-Menchavez, PhD is an award-winning scholar-activist, researcher, writer and educator whose academic and political work calls attention to the experiences of Filipina migrants in care work industries and their indelible abilities to form solidarities and organize with one another. Dr. Francisco will discuss her newest book *Caring for Caregivers*. Drawing on surveys, individual interviews, and caregivers' stories as told through kuwentuhan, a Philippine cultural practice of collective storytelling, *Caring for Caregivers* offers an intimate examination of intergenerational care work in the Filipino American community.

**Free to attend.
