

Dementia, Wandering, and Search & Rescue

Wandering is a risk for anyone living with dementia. In this program, you will learn about the causes of wandering, local resources to keep someone with dementia safe, and meet two **San Diego County Search and Rescue** team members who will share how a rescue operation happens.

This training is **for professionals** in the healthcare, social services, and related fields. The general public is welcome to attend.

**Thursday,
November 6, 2025**

10 - 11:30 AM

Online via Zoom
