

The San Diego Immunization Coalition and The San Diego Immunization Program present the 4th Annual
2018 Spring Summit

VACCINES *for* TEENS

Wed, Apr 4, 2018 9 AM - 2 PM

San Diego Central Library 330 Park Blvd San Diego 92101

REGISTER FREE ONLINE: sdic2018.eventbrite.com

DESCRIPTION

This is a **FREE** half-day training on vaccines for preteens and teens (ages 9-17), with **FREE** breakfast and lunch. Space is limited, and only pre-registered attendees will receive lunch. Online registration ends Fri, 3/30 or when capacity is reached.

EDUCATIONAL OBJECTIVES

- Increase organizational and provider-level capacity to effectively raise teen immunization rates
- Describe evidence-based strategies that promote teen vaccines (Tdap, HPV, mening, and flu)
- Review the 2018 schedule from the Advisory Committee on Immunization Practices
- Summarize recent local outbreaks of vaccine-preventable diseases

SPEAKERS

Keynote: Dr. Sarah Royce, Chief of the Immunization Branch at the California Department of Public Health

Guest Speakers:

- Mark Sawyer, MD, UCSD
- Eric McDonald, MD, HHS
- Katrina Clynch, MSN, PNP, UCSD
- Raquel Arias, MPH and Karina Moyano, MPH, American Cancer Society

WHO SHOULD ATTEND

- Medical/health care providers and staff
- School nurses and daycare staff
- Public health practitioners
- Social service employees
- Pharmacists
- Other health professionals

FREE CONTINUING EDUCATION HOURS

Provider #CEP579 is approved by the California Board of Registered Nursing (BRN) to provide four (4) continuing education contact hours offered for this training.
