

# Frankentoys!

\*A Halloween STEAM Power Event\*

Wednesday  
10/31 • 3PM  
Community Room

This year marks the 200th anniversary of Mary Shelley's *Frankenstein*. To celebrate this classic novel (as well as Halloween, a perfect day for monsters), we will be using parts from discarded toys to invent new creations, just as Dr. Frankenstein did. Bring your imagination and any spare toys or parts you have lying around!

Celebrate science,  
books, and fun!

FRANKENSTEIN<sup>200</sup>

Pacific Beach Taylor Branch Library
