An San Diego Youth Services Urban Beats Performance

Wednesday, January 31st • 4:00pm to 7:00pm • Neil Morgan Auditorium

Urban Beats presents their first show of 2018 with UNBRANDED. This show will showcase local youth artists, and art that depicts their reality living with mental health challenges, and how they live beyond the brand of mental illness. Our event will educate the community on the stigmas and stereotypes associated with mental health challenges, and connect guests to trusted local resources.
